The ECSE Mourns the Passing of its Chairman

The Eastern Caribbean Securities Exchange Ltd (ECSE) mourns the passing of its Chairman, Sir K Dwight Venner.

Sir Dwight, who passed away in Saint Lucia last evening, served as Chairman of the Board of Directors of the ECSE and its subsidiaries from their inception in 2001, to the time of his passing. He was reelected to the Board of Directors at the 15th AGM in November, and chaired a meeting of the Board as recent as on Monday, 19 December.

Words cannot express the profound sadness felt as a result of this loss. Sir Dwight was a remarkable visionary; an accomplished and pragmatic economist and central banker, a consummate diplomat; a tactful chairman; a dedicated and indefatigable regionalist; a loyal and thoughtful friend and much more. A true legend in his own time.

We, at the ECSE, offer sincerest condolences to Lady Lynda Venner, and their seven children, and also to the extended Venner family.

We cherish his memory.
