Bidding period for today's auction will close at 11:00am

The bidding period for today's auction of the ECHMB's Commercial Paper, KN25516NBQ53, will end at 11:00 am, one hour earlier than previously announced.

Weather condition in the Windward and southern Leeward Islands is forecasted to deteriorate from noon today due to an approaching strong tropical wave.

Precautionary measures in those countries will include early closure of businesses and banks. Therefore, the auction will close at 11:00 am today.
