ECFH Global Investments Issues Successful Govt. T-Bill

ECFH Global Investment Solutions Ltd., a subsidiary of East Caribbean Financial Holding Co. Ltd. (ECFH), was the lead broker for a successfully issued \$25 million Government of Saint Lucia treasury bill. ECFH Global Investments issued the private placement of the Government t-bill this week to a select group of investors which was fully subscribed. Issued at a discount rate of 6.15% with a term of 182 days, the Government of Saint Lucia Treasury Bill will mature in June 2011.

This is the second time this year that ECFH Global Investments has acted as lead broker on behalf of the Government of Saint Lucia. In February, the company was lead broker of the successful issuing of a Government of Saint Lucia 6-year \$16.379 million US dollar Bond that was auctioned on the Regional Government Securities Market. Established in May 2008, ECFH Global Investment Solutions Ltd. (www.ecfhglobalinvestments.com) is the merchant and capital investment banking arm of the ECFH Group. The company is a full-service broker-dealer that also offers custodian and trust services in addition to financial product development.
