ECSE Announces DEAP in Antigua

The Eastern Caribbean Securities Exchange Limited (ECSE) continues its efforts to promote good governance standards in the region's corporate sector through the training of company directors and officers. The ECSE, together with the Institute of Chartered Secretaries and Administrators/Chartered Secretaries Canada (ICSA/CSC) will hold another in the series of advanced director training courses, the Directors' Education and Accreditation Programme (DEAP), in Antigua from 25th to 28th February 2008.

The inaugural programme was offered in June 2007, in St Kitts-Nevis and St Lucia, and was subsequently rolled out in Toronto, Canada, in November. In 2008, several programmes will be held across the region, the first of which will be held at the Grand Royal Antiguan Beach Resort in Antigua.

Registration to the programme is open to all directors and corporate secretaries of public and private companies as well as public sector corporations. CEOs, legal and accounting professionals and other corporate advisers as well as persons aspiring to directorships are also invited to participate.

Further details on the DEAP can be obtained from this website or by contacting the ECSE.
